

Athlete Plus[®]

The choice of champion trainers

Mitavite[®] Athlete Plus[®] is rich in scientifically balanced nutrients, trace minerals and electrolytes. Athlete[®]'s high levels of Essential Amino Acids assists with the rapid replenishment of fuel stores and muscle repair after fast work or racing, reducing recovery time. When mixed with grains of your choice, the palatable muesli style formulation of Athlete Plus[®] provides a complete ration for your high performance equine athlete.

Unique Features of Mitavite[®] Athlete Plus[®]

- Muesli style base concentrate, packed with essential nutrients and electrolytes.
- Mitavite[®]'s exclusive amino acid profile to support athletic performance and recovery.
- Contains Bonafide[®], Mitavite[®]'s exclusive Vitamin K supplement that supports bone density and soundness.
